Telegram

“Telegram drug dealer “Labubu” was run by a person in their 30s for whom prosecutors are seeking a 10-year prison sentence”

https://www.donga.com/news/Society/article/all/20261104/134963167/1

“Park … found himself under suspicion from his girlfriend, who thought he might be a sex offender because he had Telegram installed on his phone. … Park, who works at a securities firm, explained that he used Telegram to share work-related information and even showed her the group chats he was in. But his girlfriend remained suspicious. “I don’t understand why you use Telegram when there are other messaging apps like KakaoTalk,” she said.”
